Description:

The world's most comprehensive massage book has been revised and updated with page after page of gorgeous color and many text changes. The message to the reader: take this book home and do a sensual massage tonight. Over two million people discovered the joy of easy relaxation and sensuality in *The Art of Sensual Massage* and *Sensual Massage for Couples*. Now Gordon Inkeles, author of the books that started the massage revolution, offers the ultimate massage experience. Learning massage has never been easier and more pleasurable. At the heart of the book is an absolutely unforgettable massage experience with strokes for every part of the body from head to toes. If his previous books were appetizers, introductions to the pleasures of massage, this all-new work is meant to be a banquet, a sensual feast. After twenty years of study and hands-on experience, Inkeles has selected the massage strokes that everyone loves best. Every page of *The New Sensual Massage* is filled with the most delicious sensual pleasures. Written in a reassuring and intimate tone, lavishly illustrated--in both black and white and color--and beautifully designed, this essential guide will have you massaging in a single evening. This is the massage book you'd want on your pillow when you wake up on Christmas--or any other morning!

I purchased this book so I could massage my wife, and possibly bring intimacy back into our relationship. She thinks I'm basically gross, and doesn't want anything to do with me. I figured this book would help bridge that gap. She still holds me in contempt, but she does like the massages. So there's that...Pros: Explains massage technique in a simple, dignified way.Cons: If you plan on reading this in public, look around. It's easy to look creepy reading this book.
